1	We are a transformer manufacturer that also provides transformer repair and rewinding services at our facility in Bathinda, Punjab. We understand that the transportation costs for repairing transformers at our Bathinda facility may not be considerable. To address this, we have established tie up with various OEMs to ensure efficient and high-quality services for end users. Regarding the current tender, we have a tie-up with an associate located in Raipur, Chhattisgarh, where we can perform the transformer repair & Rewinding services. We would appreciate it if you could clarify whether such a tie-up arrangement with an associate is acceptable under the terms of this tender.	consortium bussiness shall not be allowed in TPCODL. Order has to be excuted by those bidder which having Repairing , Testing facility in his factory premises .
